

# HOW TO USE THE SPEAKER FROM THE ICRSS PRO APP

1.

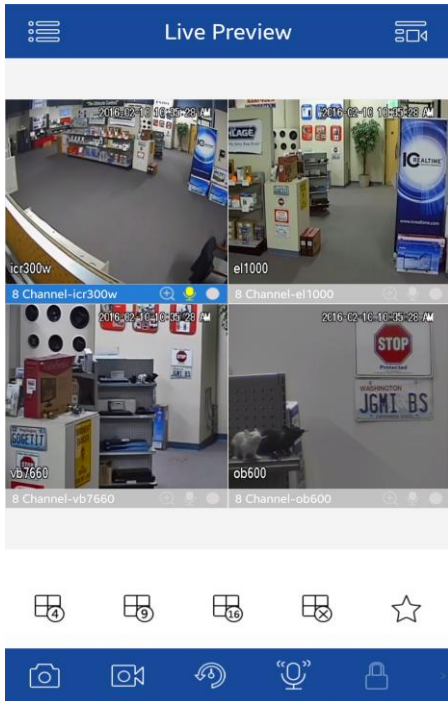

With the app open AND cameras pulled up, find the microphone icon (🗣️) in the blue tool bar on the bottom of the screen.

2.

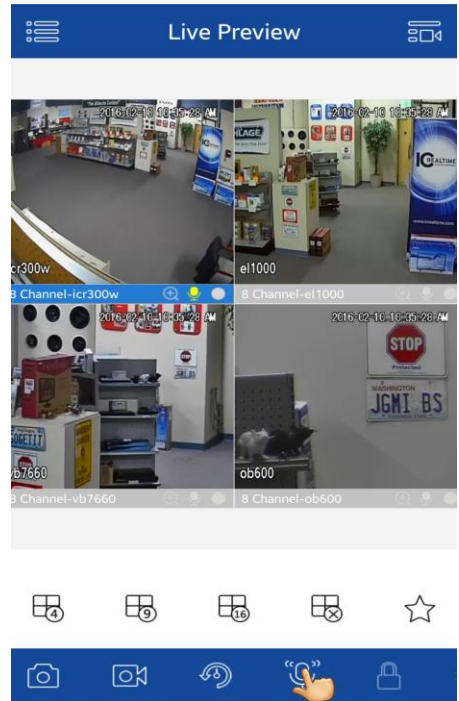

Tap on the microphone icon (🗣️) to activate the speaker. You'll know the speaker is active once the icon is surrounded by quotation marks. ("🗣️")

3.

Once the quotations are up around the icon, you are free to speak to the property using the microphone on your phone or tablet.

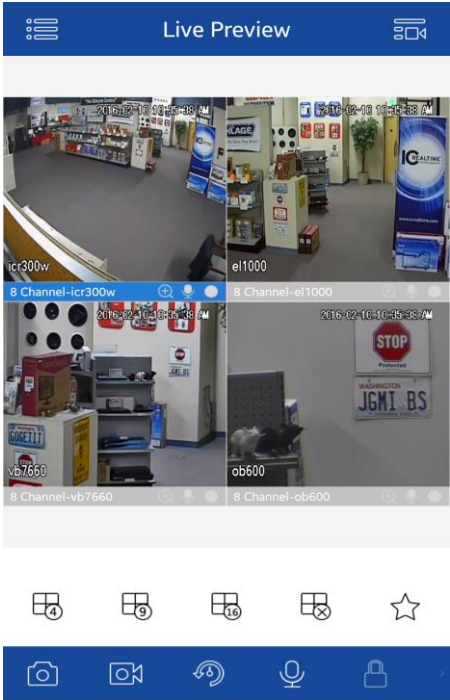

4.

When you have finished using the speaker, tap on the microphone icon ("🗣️") once again to deactivate it.

5.

Once the microphone icon has been tapped, the quotations will go away to signify that you have successfully turned off the speaker.
